16	62-66	115-130	13.5-14	34-36	30-32

HOW TO TAKE YOUR MEASUREMENTS

NECK

Measure around the circumference of your neck where your shirt collar sits.

CHEST

Measure comfortably around the widest part of your chest under your armpit.

WAIST

Measure around your true waist, right where your pants would normally sit.

SLEEVE LENGTH

Measure from the center back of your neck around the shoulder to lower waist.
